

Brightest Winter Party

In the winter the sun sets earlier and the night is long. Because of the shorter days, using candles and other light sources is an important tradition for lots of holidays celebrated in December.

December 9-14

Pick up some take and make craft supplies to create your winter craft!
While supplies last.

December 14 | 10 AM

Watch our recorded storytime as we talk about ways people celebrate, read cool winter stories, and make a craft!
