

# WHAT WOULD YOUR PLANET LOOK LIKE?

There are so many planets scientists have discovered so many new and different planets. Each have their own characteristics that make them unique. Design your own planet. What would it look like, be called, be made out of? Will it have life like Earth or will it be inhabitable like the other planets in our Solar System?

**YOUR PLANET'S NAME**

---

**NUMBER OF MOONS**

**MILES FROM THE SUN**

**NUMBER OF RINGS**

---

---

---

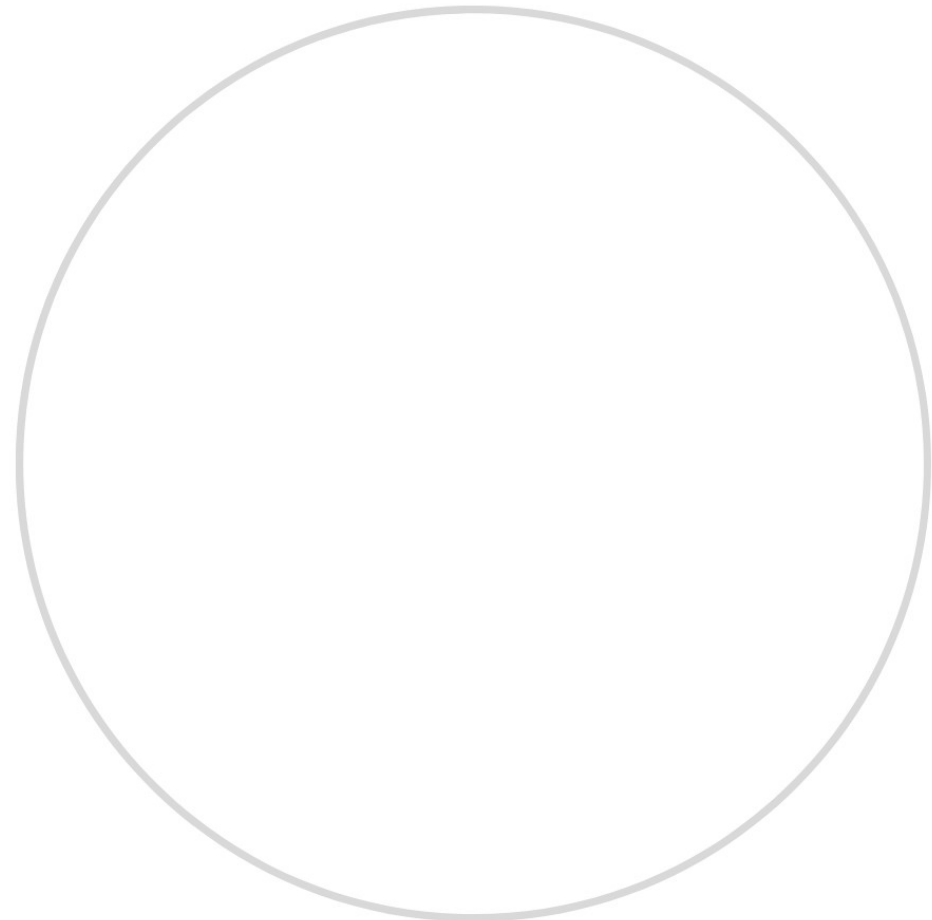

**LIFE ON YOU PLANET**

**DESCRIBE THE LIFE. IS THERE CIVILIZATION LIKE EARTH OR IS LIFE JUST STARTING OUT?**

**MADE OUT OF**

---

**DRAW YOUR PLANET AND WHAT SURROUNDS IT**

**DRAW WHAT LIFE OR NON-LIFE WOULD BE ON YOUR PLANET:**
